## Course information

- Title:** PREDIS Overview: Innovations in Pre-disposal Radioactive Waste Management
- Date:** June 9-10, 2022
- Time:** 9:00 – 12:30h CET
- Location:** Online, Microsoft Teams
- Audience:** PREDIS partners, students, stakeholders and end users. The wider student, academic and industry communities are also welcome to attend.
- Objective:** To provide an overview of the work being undertaken in the European Commission (EC) PREDIS project, providing insights on the advances reached in each work package. It is a good event to understand, discuss and participate in the activities that are developed in the frame of pre-disposal of radioactive wastes.
- Cost:** This course is **free** to attend and a certificate of attendance will be available on request.
- Registration:** Early registration is encouraged. [https://www.lyyti.in/PREDIS\\_Course\\_09100622](https://www.lyyti.in/PREDIS_Course_09100622)
- Contact:** This course is being organised by PREDIS WP3 (Knowledge Management). If you have any questions, please contact Alba Valls ([alba.valls@amphos21.com](mailto:alba.valls@amphos21.com)) and Jenny Kent ([jek@galson-sciences.co.uk](mailto:jek@galson-sciences.co.uk)).
- Format:** Each session consists of a series of 15-minute talks plus 20 minutes of discussion, with representatives of the WP, on each of the technical work packages – short descriptions of each are given on the PREDIS [website](#).
